

# SIA Receiver reports "Communications Trouble" - SIA "YS" event when receiving events from NGP panel

Last Modified on 10/06/2022 4:15 am EDT

## Symptom

The intrusion receiver reports "Communication Trouble" with SIA event "YS" for all events sent by a NGP panel.

## Resolution

Do not set the NGP panel SIA/CID reporting mode to **SIA Level 3** reporting. Set it to **SIA Level 2** or **Contact ID**.

## Applies To

OnGuard 2010 Technology Update (6.4.500 TU) or later  
NGP

## Additional Information

None
