Question

Why are the [Add] and [Delete] buttons disabled on the **Timezone/Reader Modes** tab in System Administration?

Answer

The [Add] and [Delete] buttons are not used on the **Timezone/Reader Modes** tab in System Administration.

To add a timezone/reader mode, click [Modify], then select the desired reader, timezone, and start and end reader modes, then click [Assign].

To delete a timezone/reader mode, click [Modify], then select the desired timezone/reader mode and click [Remove].

Applies To

OnGuard (All versions)
