

# Visitor Management: Sign-in Locations Must be Modified (S2902)

Last Modified on 10/06/2022 4:20 am EDT

## Problem Overview

Visitor Management: Sign-in Locations Must be Modified (S2902)

## Detailed Description

For visits scheduled in System Administration, ID CredentialCenter, or Visitor Management, the sign-in location does not exist. When these visits are modified in Host or Front Desk, a sign-in location must be provided.

## Applies To

OnGuard 2010 (All versions)

## Additional Information

None
